NUMBER 40

MILK LEADERS

SAY CONDITIONS NOW CRITICAL

Drouth and Lack of Cash to Buy Feed Brings Crisis

The tragic aspects of the drouth that prevails throughout the Chicago milk shed are set forth in the current issue of "Pure Milk," in which it is stated that retarded pastures and lack of cash to buy feed on many farms threaten virtual starvation to many dairy herds. Unless an increase in milk prices is brought about, an emergency greater than has yet existed will face the farmers of the middle west, farmers declare. Without sufficient cash income, no feed can be purchased to tide the herd through the summer. Such a situation will not only ruin the farmers, but will seriously affect the quality of milk which is so important from the consumers' health standpoint.

Directors Report

Telegrams to Pure Milk reporting conditions in the various localities were received during the past week. These reports speak for themselves:

From Director Harry Hook, Brooklyn, Wis., District 1: "Two farmers west of here reported to have killed 20 cows because of no feed and not in condition to pay their way to stock yards. Practically no pastures . . . farmers forced to turn out cows because of lack of feed, silage, or hay . . . with feeds going up in price and little cash coming in, farmers are coming to me daily pleading for raise in milk price."

From Director E. E. Powell, Kenosha, Wis., District 4: "Cow buyers are repossessing cows because farmers can't feed them . . . no cash available to buy feed nor will anyone advance loans to farmers or even feed dealers . . . farmers declare that unless a better price is secured for their milk, they won't be able to produce any . . . cows will starve to death instead."

From Director William Kreiter, Crown Point, Indiana, District 16: "Plenty of dust storms down our way . . . pastures are short and many were forced to put the cattle on pasture first of April. This means absolutely no pasture later in summer . . . oats short and grass isn't growing at all well . . . feeding outlook very poor . . . need better milk price to meet situation."

From Director Henry Pfister, Prairie View, Ill., District 7: "Trees and shrubs badly wind-burned . . . no pastures . . . sand bars drift across the road eight and ten inches deep while ditches along the side of highway filled with loose dirt that overflows to the road for spaces of ten or twelve yards . . . only because most farms in this territory raise own feed are they still able to feed cows, but when present small supplies are gone, situation will be acute."

From Director Arthur Hartman, Hampshire, Ill., District 9: "Farmers hauling water from plant for livestock . . . through our section situated aggravated by hail storm that struck last summer, ruining feed crops and forcing farmers to leave cattle on pastures as late as possible. Result is pastures were left bare all winter and drouth has kept them so . . . where the money will come from to buy feed is the problem only a better milk price can settle."

From Director A. P. Brucker, Monterey, Ind., District 17: "Conditions are very bad . . . sudan grass and oats sowed on pastures doing poorly . . . hay is \$20 a ton and then find it difficult to get . . . large majority are feeding cows grain . . . one farmer reports feed for his cows this past month cost twice as much as the amount of his milk check . . . rain in five or six days would relieve our situation quite a little."

From Director G. E. Eckhoff, Grant Park, Ill., District 14: "Sand storms and severe drouth creates worst crop conditions in history for this time of year . . . feed shortage

(Continued on Page 8)

Approve Trustees For New Fire Dist.

With the approval of Clarence Crowley, George White and Ernest Simons as trustees of the new fire protection district in the rural section about Antioch by County Judge P. S. Persons Tuesday, the organization of the first fire protection district in the state was finally established.

The trustees will levy taxes, not collectible until next spring, for protection in the district which includes all of Antioch township east of the Fox river, except the village of Antioch.

L. Powles Returns From Fort Sheridan

Laurel Powles, who was recently promoted from second lieutenant to first lieutenant of the Quartermaster Corps Reserve of the U. S. Army, returned last week from Fort Sheridan where he spent two weeks in camp in his new capacity.

Powles was in charge of a Civilian Conservation Corps comprising 250 men. Although second lieutenants are quite numerous, there are only about ten first lieutenants in the entire camp of over 5,000 soldiers. There are about 2,000 enrolled in the CCC.

In less than four years Powles will be in line for a captaincy.

Select Students for Amer. Legion Award

Selection of the boy and girl from the graduating class of the Antioch Grade School to receive the annual American Legion award was made yesterday. Florence Hackett and Jack Crandall were voted to receive this honor by the members of the eighth grade and the faculty.

During the year citizenship talks sponsored by the American Legion have been delivered at the school by various prominent local men. Every year the American Legion awards a medal to the boy and girl in the eighth grade who, in the opinion of the class, possess the highest qualities of citizenship—honor, scholarship, leadership, courage and service. The medals are awarded on commencement night.

Third Party In Wisconsin Is Regarded As Certain

There will be a third political party in the state of Wisconsin regardless of what the LaFollette brothers or other Madison progressive leaders think about it, according to J. C. Ralston writing in the Milwaukee Journal. Ralston's authority for the statement is based on "the most accurate signs that political observers can find."

Two meetings for the purpose of considering the advisability of launching a new party have already been held in Madison and similar meetings have been held in other states, indicating the growing demand in the public mind for a new party.

Regarding the situation in Wisconsin, Ralston says:

Under the recent supreme court decision, new party enthusiasts are in possession of the means to make the party go. No one knows how numerous they are, but that is not the question. Even though they be a minority group, they hold the whip hand. Progressive leaders who have been resisting the movement can either join in or face the alternative of running in the Republican primary and losing many primary votes to candidates of the new organization. The old timers, say new party men, can either come along gracefully or be pushed.

Tough Problem Ahead
The supreme court decision has made a new party take-off easy. The ruling that one-sixth of the electors in any 10 counties can launch the party means a selective possibility under which as few as 10,000 voters can put the ticket on the ballot. Candidates will not be required to have signatures on their nomination papers, but they undoubtedly will do so.

New party opponents in the progressive ranks have a tough problem ahead of them. There is speculation as to how they will proceed, or whether they will proceed at all. As their chief argument they have the long list of progressive victories on the Republican ticket.

To the new party fan, however,

Business Woman's Program Features Clever Magician

Proceeds Used to Assist Local Students in College

Exclamations of wonder and amazement were heard on all sides yesterday evening as Mardoni, the Magician, in an entertainment sponsored by the Antioch Business Woman's Club at the high school, performed his almost miraculous tricks.

His program included several of the more common tricks with handkerchiefs, torn paper and cards, but also featured transposition tricks and clever stunts with rings and ropes. He used several of the younger members of the audience to assist him.

He was assisted in giving his program by his wife, Madame Mardoni, who gave a demonstration of an apparently marvelous ability in mind-reading. As he went through the audience pointing out various personal articles while she sat blindfolded on the stage, she was able to name the article, its color, kind of make, and to give the numbers on watches, bills, etc.

A similar performance was given for grade and high school students in the afternoon. Proceeds from the program will be used for a student loan fund maintained by the Business Woman's Club for the purpose of aiding graduates of the Antioch high school who are working their way through college. To date the organization has made three substantial loans, according to the retiring president, Miss Ayleen Wilson.

TWIN DAUGHTERS ARE BORN TO THE GEO. GARLANDS

Mr. and Mrs. George Garland are the parents of twin daughters born yesterday afternoon, May 16, at the Glidden Hospital, DeKalb, Ill. Mrs. Garland, the former Hester Goldy, was attended by Dr. Howard Spafford. The babies will be named Sue Nona and Ruth Alice.

Motor Caravan Inspects Low Waters In Fox River

A motor caravan in protest against low water conditions in the Fox river, which is virtually dry for great stretches, yesterday inspected the stream from Yorkville in Kane county to the McHenry dam. The delegation was made up of mayors and officials of cities along the river.

The practice of holding back water at the dam at McHenry built to maintain levels of the resort lakes, will be investigated, according to Senator Arnold Benson of Batavia, secretary of the chain of lakes commission. The commission, of which Rep. Richard J. Lyons is chairman, was appointed a year ago by the state legislature. Low water this year presents a new difficulty for the commission to solve.

LOTUS WILL BLOOM EARLY THIS YEAR

Dry Weather Brings Blossoms Early, Jack O'Connor Says

The famous lotus flowers in Grass lake and adjoining waters will bloom much earlier this year, according to Jack O'Connor, resident of Blarney Isle, who for many years has been known as "the king of the lotus." Dry weather and lower water level always hasten the blooms, O'Connor states.

The earliest blooming recalled was eleven years ago when the flowers appeared on June 29. The next year, 1924, flood year, the beds were almost completely destroyed by high water. It has been only during the last two years that the famous beds have regained their former splendor.

Erects Observation Tower
O'Connor, from his isolated Isle, in the heart of the lotus, year after year has observed the habits of the famous flowers and is considered an authority on them. This year he has erected a tower at the water's edge on the Isle from which may be seen over 2,000 acres of water, and what a sight this will be for those who visit the island when the lotus beds are in full bloom. O'Connor has named his tower "The Lotus Observation Tower."

Signs Will Guide Tourists
The Grass Lake Lotus Association last year erected over 300 metal signs along highways directing tourists to Antioch and the lotus beds. The signs were placed on highways from Chicago, Elgin, Rockford, Beloit, Madison, Milwaukee, Kenosha and other main thoroughfares leading to the Chain of Lakes. In this project the Association sought the co-operation of the Antioch Chamber of Commerce and other business interests here, but very little response was given, although the signs directed tourists to Antioch. A few donations from private citizens accounted for all the co-operation the Association received.

Association Plans Dance

The annual dance of the Association has been announced for Wednesday, June 13, and will be held at Rothers' Resort at Grass Lake. This event is always attended by the large membership of the Association and by many friends of the group and from nearby cities who are interested in the lotus region. The proceeds from the dance will be used to defray advertising and other expenses of the Association.

A long season of the flowering lotus is anticipated, as the blooms will come early and the season will last until September, according to O'Connor and other residents of Grass Lake.

A. & P. Announces Increase in Sales

Sales of the Great Atlantic and Pacific Tea Company for the four weeks period ending April 28 were \$62,463,980. This compares with \$61,056,064 for the same period in 1933 and is an increase of \$1,407,916, or 2.3%.

April sales expressed in tons were estimated as 364,467 this year, compared with 405,661 in April of 1933. This is a decrease in quantity of merchandise sold of 41,194 tons, or 10.15 per cent.

Average weekly sales in April were \$15,615,995, compared with \$15,264,016 in 1933, an increase of \$351,979. Average weekly tonnage sales were 91,117 compared with 101,415 in April 1933, a decrease of 10,298 tons.

Paul Chase Suffers Minor Injuries

Paul Chase of the State Highway Police received minor injuries Monday noon, May 14, when he was thrown from his motorcycle as a result of the crystallizing and breaking of a bolt which held the seat. The mishap occurred about three miles south of Elgin.

He was picked up by a passing motorist and taken into Elgin to Dr. Tobin who treated a scalp wound which did not prove to be serious. He was able to resume his duties immediately.

Stratton Club Will Elect Officers

The campaign to elect William J. Stratton, of Ingleside, state treasurer on the Republican ticket, will take formal shape at Long Lake Tuesday night when the William J. Stratton Club of Illinois will elect officers.

The meeting will be at Robert Valacek's, and besides the officers to be named there will be an election of a board of directors.

The club was organized during the primary fight, and was perfected into an ideal political unit. George Hollister, village president of Fox Lake, is the president.

History Of P.-T.A. Activities During Year Is Reviewed

Problem of the Maladjusted Child Discussed by Clabaugh

A year of achievement and unusual activity by the Antioch P.-T. A. was concluded Monday evening, and reviewed in a complete history read by Mrs. Adolf Pesat, historian.

Among the outstanding events or accomplishments of the year were: reception for Antioch Grade School and High School teachers Sept. 25; the purchase of glasses and cups for G. S. kitchette; sponsoring dental examinations and a program of aiding needy children for dental service; purchase of six chairs for card parties; assisting Emmons school to organize P.-T. A. Dec. 5; donation of five dollars to Girl Scouts; sponsoring the Civil Works Nursing School in February; adoption of an immunization program against diphtheria.

Officers serving during the 1933-34 season were Mrs. W. C. Petty, president; Dr. R. D. Williams, vice president; Miss Idabelle Harwood, secretary; Miss Mildred Byrnes, treasurer; and Mrs. Adolf Pesat, historian.

Eight regular meetings were held during the year, full educational programs of interest being arranged for each. From the several card parties sponsored during the year, \$99.37 were realized. \$68 in addition were received from dues, donations and returned tax money from sales tax. Disbursements totaled \$141.57.

Officers attribute the year's fine record to the sincere cooperation accorded them by the members and patrons of the school.

Clabaugh Speaks

In speaking on "The School and the Maladjusted Child," Prin. Ralph E. Clabaugh defined the typical maladjusted individual as one whose relation to his surroundings has become so strained that he cannot live and work and cooperate with others in his group.

The maladjusted child may be shy and retiring or loud and boisterous; he may like to tease and annoy, or he may be awkward and unsure of himself.

Personalities, says Mr. Clabaugh, are made, not born. Thus, a child's problems which are reflected in his behavior, may be simplified or removed by altering the environment and determining and removing the causes.

A school child is faced with the task of learning to read and write leading to higher mental processes, to obey orders, to work and play as one in a group. It is up to the school to guide him carefully without governing his every move; to teach him the joys of accomplishment, the results of carelessness, and the reasons for law and order; to develop self-discipline; to cooperate with his associates and those in authority.

The program was concluded by several vocal selections by Miss Florence Kimmelschue, Home Bureau Adviser from Grayslake.

An installation of new officers was held, the following being installed: Mrs. Ernestine Robbins, president; Dr. R. D. Williams, vice president; Miss Mary Gailor, secretary; Mrs. Violet Dunn, treasurer; Mrs. Ethel Pesat, historian.

Chris Laursen returned home last Thursday from the Hines Memorial Hospital at Maywood where he has spent the past three months. He is greatly improved in health.

Mr. and Mrs. Frank King and Mr. and Mrs. B. J. Hooper of Lake Villa attended a convention for Rexall druggists at Milwaukee, Wednesday evening.

ANTIOCH BOYS BEST JUDGES OF LIVESTOCK AT WATERMAN CONTEST

Annexing another blue ribbon for the Antioch high school vocational agricultural department, the fat stock judging team came through to victory in a contest with seventeen other schools at the sectional judging contest held at Waterman, Ill., Friday, May 11.

The contest was held in two divisions, fat stock and dairy cattle, under the direction of Mr. Norton, vocational agriculture teacher of the Waterman High School.

Antioch, coached by C. L. Kutli, led the seventeen teams competing in judging fat stock, scoring 931 points, followed by Sycamore with 906, Gurnee, Hinckley, Dundee, Sugar Grove, Sandwich, Woodstock, Huntley and DeKalb. Boys with the highest individual scores were Johnson of Sycamore, Liefheit of Hinckley, Doyle of Gurnee, Benson of Rollo, and Griffin of Antioch.

The boys who comprised the local team were Willis and Glenn Griffin, Harry Hallwas, Robert Carney and Harold Edwards.

Marengo, coached by Paul Arndt, was the leader among eighteen teams in dairy judging, with a score of 946, followed by Harvard, Lake Zurich, Sandwich, Dundee, Huntley, Gurnee, Woodstock, Sycamore, and DeKalb. Hart of Marengo was the high individual, followed by Russell of Sandwich, Dehmer of Lake Zurich, Carlson of Harvard, and Tietze of Harvard.

In totals of all judging work, including last fall's contests in judging poultry, corn, and grain, first place went to Ben Eade's Sandwich team, with Antioch, Lake Zurich, Gurnee, and Marengo next.

The dairy team was represented by Howard Wells, Kenneth Hills, Howard Bonner, Richard Waters and Frank Verkest.

According to C. L. Kutli, their coach and instructor, the Antioch boys traveled 186 miles to attain these honors.

A total of 170 boys from six counties competed in the judging.
Frank Verkest, Reporter.

Antioch 4-H Club Organizes for Summer

The first meeting of the Antioch 4-H club was held May 14. It was called to order at 8:00 o'clock by Mr. Kutli. Kenneth Hills was appointed Club Leader. Election of officers followed with results as given below:

President—Frank Verkest
Vice President—Richard Waters
Reporter—Donald Minto
Athletic Chairman—Sidney Hughes

It was decided to have the meetings on every other Monday. The Athletic Chairman is to arrange for games with other local clubs. The president will make plans for programs for meetings. There are about ten members enrolled in the poultry project.

Donald Minto, Reporter.

Many Enjoy Mother- Daughter Banquet

The annual Mothers and Daughters Banquet sponsored by the Antioch Mother's Club at St. Peter's Hall Tuesday night was attended by over sixty persons. A fine six-thirty dinner was served by the members of the Altar and Rosary Society of St. Peter's Church, after which an entertaining program was presented.

Mrs. E. M. Amstutz of Waukegan proved exceptionally entertaining with her readings, songs and musical readings. Other numbers included a welcoming address by the retiring president, Mrs. Michael Himes; a solo by Marjorie Bright; a toast to the mothers by Carolyn Phillips; mother's response by Mrs. Harry Messinger; a reading by Mrs. George Phillips; solos by Miss Ruth Nelson and music by a selected high school girls' Glee Club.

The new officers to serve for next year were introduced: Mrs. G. R. Bicknell, president; Mrs. L. V. Sitter, vice president; and Mrs. Schiebe, secretary-treasurer.

Mrs. Roy Kufalk was head of the committee in charge of the program.

ALL SIDES SHOULD BE FAIR

During the last few months there has been growing criticism, from many quarters, of various governmental activities—particularly those which are of an experimental nature, and are without legislative precedent. And, in return, the defenders of experiments have naturally been more zealous and aggressive in bringing their beliefs and arguments before the public.

A grave responsibility rests on both these groups—those who defend and those who criticize. The American government is attempting to do a great and fine thing to bring more happiness, more opportunity, more useful leisure to the average man. There is no place for criticism and denunciation which is purely partisan and selfish, and represents an effort of those who are politically "out" to get themselves back "in." And there is no place for enthusiastic praise which is likewise based on partisan grounds, and represents misguided loyalty to a political group.

There is unquestionably fear on the part of many citizens that in conducting its experiments, the government is losing sight of certain American fundamentals—that it is endangering the existence of economic and social individualism, that it is weakening the foundations of democracy. There is fear that we are nearing the shoals of fascism, and a bureaucratic dictator-

ship. That is the issue that must be widely discussed, by both the friends and enemies of the new order. It should be discussed frankly, fairly and authoritatively, and all sides should be heard.

Neither dogmatic praise nor partisan criticism does service to a government, an administration, or to the public. Honest differences of opinion, honestly argued and thrashed out, are of immense benefit.

WANTED: MILLIONS OF HOMES

The gravity of the housing problem in America can be simply illustrated by a comparison of the number of families provided with new residential units in recent years.

In 1922, some 370,000 families secured new homes. In 1923, when the all-time high was reached, close to 500,000 home structures were built. The ten-year average from 1921-30 was 361,000 units each year. In 1933, new home construction dropped to less than 30,000.

Making the problem still more severe is the fact that during depression depreciation and obsolescence of existing homes were more than normally great. Thousands of houses literally went to pieces, due to lack of upkeep.

The result is that a heavy percentage of our people live in sub-standard dwellings. Doubling up, with several families occupying one home, is commonplace. It was recently estimated that 4,000,000 families lived in this manner. And population shifts have gone on, depression or no depression, creating tremendous home shortages in various localities.

Better times are the herald of stimulated construction. A jump in building is coming as certainly as the tides, and it is going to advance building costs—both for materials and for skilled labor. The wise property owner, with money to spend, is beginning to realize that this is really the time to build and repair, while bargain prices still exist.

ciated by the large audience. Specialty acts were furnished by a saxophone quintette; the high school orchestra played preceding the play, and several songs were sung by a chorus of Senior girls.

Annual Play Day

The annual play day for nine schools in Salem township was held Monday afternoon at the Fox River County park. Miss Virginia Rowe was chairman of the event. The schools participating and their ranking in the events were: Wilmot; Riverview; Liberty Corners; Salem; Paddock's Lake; Camp Lake; Barnard; Trevor; and Brass Ball.

The winners of the events listed will take part in the Kenosha County Field meet May 19, at Petrifying Springs Park. Boys' 75-yard dash, Henry Kowalk, Riverview; girls' 75-yard dash, Irene White, Wilmot; boys' 75-yard dash, 75-100 lbs. Perry Selear, Liberty Corners; girls' 75-yard dash, 75-100 lbs. Evelyn Mathers, Liberty Corners; boys' 50 yard dash, Thomas Manning, Salem; girls' 50-yard dash, 50-75 lbs., Madeline Selear, Liberty Corners; Boys' 50 yard dash, under 50 lbs., Chum Lancour, Paddock's Lake; girls' 50-yard dash, under 50 lbs., Arlene Raymond, Camp Lake; boys' 4 man relay race, Joe Rauch, Emil Blake, Frank Rauech, Seidschlag, Wilmot; girls' relay, Irene White, Josephine Lake, Mary Blood, June Pacey, Wilmot; boys' three-legged race, 50 yds., Lyle Richter, Schwartz, Twin Lakes; girls' three-legged race, 50 yds., June Pacey, Irene White, Wilmot; boys' wheelbarrow, Joseph Rauch, R. Wertz, Wilmot; girls' wheelbarrow, Irene White, June Pacey, Wilmot; boys' free for all, Kowalk, Riverview; girls distance ball throw, Caroline Schultz, Salem.

The alumni association of the Union Free High School is to be reorganized and has a gala affair planned for the Class of 1934 on the evening of Wednesday, June 6. Officers of the association, Herbert Swenson, president, Lynne Sherman, vice president, Winn Peterson, treasurer, and Mrs. E. Allen, secretary, with the assistance of Marlin M. Schnurr, school principal, Mrs. Vera Burton and Grace Carey, on the executive committee have about completed all arrangements. The banquet will be held in the school dining hall and is scheduled for 7:30 sharp, standard time. Mike Smith's orchestra, of Grays Lake will play during the banquet and for three hours of dancing in the gymnasium.

The Ladies of the Silver Lake Community Church are giving a three course dinner for the affair. Because the organization has been inactive for several years a public invitation is being extended this year to all interested in the school, former students whether graduates, are especially invited with the present pupils, parents and friends of the school. Reservations are to be made with Grace Carey, at Wilmot, before June first.

Mrs. Maude Murdock, Bristol, has been secured for toastmistress; Henry L. Blinn, Chicago, to give a fifteen minute address, and there will be several other interesting talks and musical numbers to be announced later.

Union Free High School The baseball team defeated Rochester 8-1 at the last conference game. Saturday they will play Palmyra at Watertown to see who will be champions of the South Eastern Wisconsin Conference. Wilmot won for the Eastern division of the conference

WILMOT COUPLE ARE GIVEN SHOWER

Son Is Born to Mr. and Mrs. William Lake May 7

Relatives and friends gave a miscellaneous shower for Eleanor Sarbacker and Charles Lake, who are to be married in the near future, at the home of Mr. and Mrs. Charles Kanis Saturday evening. The evening was pleasantly spent at cards and games and delightful refreshments served. The young couple received many lovely gifts.

Mr. and Mrs. William Lake announce the birth of a son, Maurice Gene, on Monday, May 7.

Mr. and Mrs. Lou Cole, of Crystal Lake, and Mr. and Mrs. Will Cole, who recently returned from a winter in Florida, called during the weekend on Mr. and Mrs. Eugene McDougall. Julia Runkel, Alleen Morgan and Dr. B. Roman of Chicago called at the Runkel home Sunday evening. They were on their way home from Milwaukee where they had been to see Mrs. H. Zoerb, who has recently been discharged from the Deaconess hospital where she was confined with pneumonia. Mrs. Clara Morgan of Chicago remained for a visit of several days with Mrs. Zoerb.

Rev. J. Finan and Miss Rose Yanny were at Burlington Sunday afternoon to call on Mr. and Mrs. Peter Yanny. Mrs. Yanny has been ill.

There will be special Pentecost services at the Lutheran church in English at 9:30 and in German at 10:45 on Sunday morning.

Mrs. Marlin M. Schnurr entertained at two tables of bridge Monday evening. Refreshments were served.

Mrs. R. S. Ihlenfeldt, assistant County Superintendent, visited the Oak Knoll school, Monday. Mrs. Rose Cates has been re-hired for the coming year as teacher at Oak Knoll.

August Holtdorf was a guest over the weekend of Mr. and Mrs. August Boetcher at Caledonia.

Mrs. William Stensil and son, Lawrence, were at the Kenosha hospital on Friday to visit Albert Hanke.

Those from a distance who attended the funeral services of Mrs. Collins M. Williams on Saturday afternoon were: Mr. and Mrs. E. E. Southwick and daughter, Florence, Mrs. O. P. Southwick, Williams Bay; Mr. and Mrs. A. D. Williams, Dwight Williams and Mrs. Wilbur Wilton, Deedfield, Ill.; Mr. and Mrs. George Williams, Burlington; Mr. and Mrs. Fred Vaughn, Lyons; Mr. and Mrs. Darwin Williams, Mrs. Roger Williams, Waukesha; Miss Ethel Blood, Chicago; Mr. and Mrs. Leland Williams, Spring Prairie; D. C. Southwick, Beloit; Mr. and Mrs. Fred Southwick, Lake Geneva; Mr. and Mrs. Charles Williams and Miss Lucy Coman, Elkhorn; Mr. and Mrs. C. M. Williams, Jr., Charles, Doris, and Lucille, of Hammond, Ind.; Mr. and Mrs. C. J. Hutton, Chicago; The Blood family and Mr. Williams were the recipients of many kind acts during the illness and death of their wife and mother, and are very appreciative of everything.

The Senior class play, "Wind in the South," played to a full house at the gymnasium Friday evening. The play was very ably directed by Miss Ruth Thomas and was highly appre-

HICKORY COUPLE ARE PARENTS OF BABY DAUGHTER

Edith Thompson and Nels Nielson Undergo Operations

Born to Mr. and Mrs. Frank Barber on Thursday, May 10th, a daughter, Charleen Virginia, at the home of Mr. and Mrs. David Pullen.

Nels Nielson underwent an operation in Chicago last Friday at St. Luke's hospital.

Mr. and Mrs. George Thompson and Harold and George visited Miss Edith Thompson, Monday evening at the Condell Memorial Hospital, Libertyville. The latter was operated on for appendicitis last Sunday.

Agnes Nielsen and Thelma Pullen, our two eighth graders, wrote their final examinations last Wednesday at Antioch.

Mrs. Nels Nielson spent several days of last week in Chicago.

Bean Hill Community held a card party and dance at their school, last Friday evening.

Miss Lois Hunter from Oak Park was home Saturday evening and Sunday.

Mr. and Mrs. Nels Gussasson from Chicago spent Sunday at the Hugo Gussasson home.

Mr. and Mrs. Ray Bishop and Eloise from Kenosha visited Sunday afternoon at the George Tillotson home.

Mr. and Mrs. Jake Pedersen from Waukegan and Peter Toft and family from Fox Lake Road were Sunday supper guests at the Chris Paulsen home.

Mr. and Mrs. Harry Tillotson and Mrs. Will Thompson and Helen drove to Delavan, Wis., Saturday afternoon and visited Caryl Tillotson at school there.

Mr. and Mrs. Max Irving and chil-

YOU CAN THROW AWAY YOUR EYEGLASSES

NEW REVOLUTIONARY SCIENTIFIC DISCOVERY MAKES EYE CRUTCHES UNNECESSARY

IF YOU ARE FAR-SIGHTED, ASTIGMATIC, CROSS-EYED, OLD AGE SIGHTED, OR IF YOUR VISION IS FAILING

It is because the news of this blessed discovery has not reached you.

Send for this booklet immediately and read the real truth about eyes and eye glasses. All about the scientific vision normalizing device called "NU-EYE-LIFE"

which is used but a few minutes a day in your home more a short period makes it easy to correct any of the above defects and enables you to discard and dispose of your eye glasses unhesitatingly. Easy to use—responsive, safe, simple, absolutely guaranteed.

Andrew Cobb Weds Lake Marie Girl

Miss Violet Fishback of Lake Marie, formerly of Antigo, Wis., and Andrew Cobb, well-known Antioch man, were united in marriage yesterday evening by Justice Samuel Tarbell in his office.

The couple were attended by Mr. and Mrs. Anthony Wambaugh, friends of the pair. The bride was becomingly attired in a white ensemble and carried a bridal bouquet of mixed flowers.

Following the ceremony the couple were met by the members of the Antioch Fire Department and escorted about the city on a fire truck. Cobb is a member of the department. They will make their home at the Dressel Hotel on Lake Marie. The groom is an employee of the Lux Electrical Shop.

BIRTHDAY DINNER HELD FOR MRS. HARRISON, MRS. BURGETT

The occasion of Mrs. Andrew Harrison's and Mrs. Harry Burgett's birthday was celebrated at the Andrew Harrison home on Spafford street Sunday, with a dinner for relatives and friends. The dining room was very beautifully decorated with tulips and lilies. Those attending were Mr. and Mrs. Roy Burgett and three children of Kenosha, Mr. and Mrs. Nate Burgett, Mr. and Mrs. Harry Burgett, Miss Grace Burgett, George Edmond and Charles Willey of Hebron. After having dinner, they all motored to Hebron to the Burgett farm where they all enjoyed a lovely luncheon.

P-T-A. SPONSORS CARD PARTY AND DANCE

A public card party and dance sponsored by the Antioch P-T-A. will be held at St. Peter's hall next Tuesday evening, May 22. Music will be provided by Hans von Holwe and his high school orchestra of six pieces. Those serving on the committee in charge are Mrs. James Dunn, Mrs. Otto Klass, Mrs. Adolf Pesat, Mrs. Walter Baethke, Mrs. Lillian Williams, Mrs. Elmer Hunter and Mrs. George Bartlett. (40c)

REBEKAHS AND ODD FELLOWS ATTEND OPEN MEETING

Several representatives from the local Rebekah and Odd Fellow lodges attended the open District meeting held at Hebron May 9. Those attending from Antioch were Mr. and Mrs. W. H. Osmond, Mrs. Eva Barnstable, Mr. and Mrs. William Runyard, Mr. and Mrs. Earl Horton, Mr. and Mrs. Thomas Burnett and son, Mr. and Mrs. Fred Peterson and daughters and Mr. and Mrs. Nelson Drom.

LADIES' GUILD MET WITH MRS. CHARLES FRIDAY

Mrs. J. E. Charles entertained the Ladies' Guild at the Rectory Friday afternoon. Ten ladies were in attendance.

BILLY BRAND UNDERGOES OPERATION

Billy Brand, the four-year-old grandson of Mrs. Elsie Schroeder, underwent an operation for appendicitis at the Wesley Memorial hospital in Chicago Sunday. Mrs. Schroeder and Billy returned from Florida last Friday.

MRS. MOLLIE SOMERVILLE ENTERTAINS BRIDGE CLUB

Mrs. Mollie Somerville was hostess to her Tuesday Bridge club. The prize winners were Mrs. Clarence Shults and Mrs. Elmer Brook.

FIDELITY LODGE TO MEET WITH MRS. LAURSEN

The next regular meeting of the Fidelity Lodge will be held Monday evening, May 21, with Mrs. Sine Laursen.

MOOSE CLUB TO SPONSOR DANCE MAY 19

A public dance sponsored by the Moose Club, will be held Saturday night, May 19th, at the Moose Hall. Old time dances. Admission 25 cents. (40c)

Mrs. George Bay was called to Chicago Sunday on account of the serious illness of her mother.

CHRISTIAN SCIENCE CHURCHES

"Adam and Fallen Man" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, May 13.

The Golden Text was, "As in Adam all die, even so in Christ shall all be made alive" (1 Corinthians 15:22).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "And God said, Let us make man in our image, after our likeness; and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. So God created man in his own image, in the image of God created he him; male and female created he them. . . . And God saw everything that he had made, and behold, it was very good" (Genesis 1:26, 27, 31).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Human capacity is slow to discern and to grasp God's creation and the divine power and presence which go with it, demonstrating its spiritual origin" (p. 519).

Mrs. Sine Laursen spent Saturday in Kenosha with her sister, Mrs. Anna Thompson.

Miss Mary Dorsey was a Sunday caller of Mr. and Mrs. Tom Fitzgerald and family Sunday afternoon.

Mr. and Mrs. Charles E. Kelly of Lake Villa were Sunday guests of Mr. and Mrs. Charles Alvers.

Antioch High Loses To Warren By 1 Run

Although the Antioch high school baseball team led Warren for the first four innings in the game played Tuesday afternoon, a home run by Zimmerman of Warren with two on base in the fifth brought the score up to 5-4 in favor of the visitors.

Antioch muffed one chance to tie the score toward the end of the game when White was caught off base for the third out before Wells could make home from third. Only five hits were allowed each team.

NOTICE

Automobile owners in the Village of Antioch may obtain their 1934 vehicle licenses at the office of the Village Clerk, R. L. Murrele.

IN MEMORIAM

Mrs. William Dorsey
In fond remembrance of our beloved Mother who passed away one year ago to-day May 15, 1933.

A happy home we once enjoyed
How sweet the memory still
But death has left a loneliness
This world can never fill.

Lovingly,
The Children.

Mrs. Paul Chase Is Delegate to State Institution

Mrs. Paul Chase, a member of the Antioch Unit No. 748 American Legion Auxiliary, and Child Welfare chairman of 8th District Department of Illinois, which comprises Lake county, was sent as the 8th district delegate to the Illinois conference on Social Welfare. The conference was held at the Soldiers' and Sailors' Orphans' Home at Normal, Ill., on Monday, May 14. It is a state institution.

Mrs. Chase reports there are seven hundred and twenty-two orphans

there at the present time ranging from the ages of one month to sixteen years. All but about fifty are orphans of World War veterans, the fifty being orphans of veterans of other wars. On the trip Mrs. Chase was accompanied by Mrs. Leonard Hook, Grayslake, Ill., Eighth District Director of the American Legion Auxiliary.

Sunday guests at the D. A. Williams home were Mrs. Ruth O'Brien and son and Miss Mabel Irwin of Chicago, and Mr. and Mrs. George Bosomberg of Riverside, Ill.

Mr. and Mrs. Harry McNeal of DesPlaines were callers at the S. Boyer Nelson home Saturday.

LAKE VILLA WOMAN WINS \$1,000 PRIZE IN JINGLE CONTEST

**Daughter Is Born to Mrs.
Norma Seboria Patrick
at Randolph, Wis.**

Mrs. Dorothy Frye sent a jingle recently in a contest conducted by the Fabst-ette Cheese Co. and was winner of the first prize of \$1,000.00, so she has been receiving the congratulations of her friends. The check was delivered last Friday and photographers were on hand to take pictures. The advertisement had been run in the Tribune.

Will Seboria is receiving congratulations on the birth of his first granddaughter, who is the daughter of Norma Seboria Patrick, who lives at Randolph, Wis. She has been named Barbara May.

Mr. and Mrs. Wm. M. Weber spent Monday in Chicago.

Mr. and Mrs. Z. Zenor drove Sunday to visit the home folks near Kingston, Ill.

Mr. and Mrs. George Mitchell, Helen Ann, Mrs. Harriet Mitchell and Ray Kerr of Chicago spent Sunday with Mr. and Mrs. James Kerr.

Mr. and Mrs. B. J. Hooper transacted business in Milwaukee on Wednesday.

Commencement exercises of the Lake Villa grade school will be held at the Lake Villa Community church on Wednesday evening, May 23rd, at 8:30. Mr. W. C. Petty, Lake County school superintendent, will deliver the principal address to the eleven graduates.

The Lake Villa Woman's Club held its annual banquet at the Lake Villa Cafe on Tuesday evening and nearly forty people were present to enjoy the hospitality of the club. The president, Mrs. Maler, presided at the meeting which followed the banquet, and reports were given by the secretary, treasurer and program committee. The club has done a number of fine things in the way of aiding needy or worthwhile activities in spite of conditions over which they have no control, and have had splendid meetings using talent in its own membership. The speaker of the evening was Russell Tomlinson of Lake Forest College and his subject was "Topics of the Day," which was delivered in a very interesting manner. The a capella choir of Antioch high school in charge of H. von Holwede, furnished three numbers in a very pleasing manner.

Lake Villa School Notes

Edward Kelly, who has been in the hospital for the past several weeks for a serious appendicitis operation, is now at home and is rapidly recovering.

Junior Miller who has been absent from school for some time, will not be able to return to school this year.

The dental program sponsored by the P.T. A. has resulted in a large number of children having teeth put in good condition. There were fewer pupils with defective teeth this year than last; this tends to bear out the idea that long term programs show best results.

Charles C. Frye, principal of our school, was recently made chairman of the Elementary department of the Lake Shore Division of Teachers at a meeting held in Chicago. Mr. Frye who has been secretary of the department for the last two years, was made chairman after the vacancy created by the resignation of Miss Elsie Wikholm of Cicero, who has been chairman during the past term.

The P.T. A. is sponsoring a banquet for the graduates at the grade school on Friday evening of this week.

Lake Villa is now leading the Grade School baseball conference and seems to be well in line for the cup.

The lower grades of the school presented the operetta, "The Enchanted Garden" at the school-house last Friday evening, and was given twice to accommodate the large crowd present. The scenery of flowers and shrubs used as a background to represent a garden made a pretty setting for the colorful gowns of the children, who all did so well. Betty Hadad took the part of Peggy, Clara Harmon was Fairy Queen, Billy Pinch a sailor boy, Johnnie Meyer was Peter Pan, Billy Effinger a Chinese boy, Phyllis Helm, a Japanese girl, and Lois Parsons represented Buttercup. Mary Pinch, Frances Sherwood, Lenore Dankler, June Walker, Gladys Dixon and Gladys Keisler were fairies and Dick Stratton, Leo Buchta, Irving Barnstable, Edward Walker and Warren Hadad were elf men. Miss Masterson directed the operetta.

Supervisor's Statement

STATE OF ILLINOIS ss. TOWN OF ANTIOCH, ILLINOIS
County of Lake

OFFICE OF TOWN SUPERVISOR

The following is a statement by WILLIAM A. ROSING, Supervisor of the Town of Antioch, in the County and State aforesaid, of the amount of public funds received and expended by him during the fiscal year just closed, ending on the 27th day of March, 1934, showing the amount of public funds on hand at the commencement of said fiscal year, the amount of public funds received and from what sources received, the amount of public funds expended and for what purposes expended, during fiscal year, ending as aforesaid.

The said WM. A. ROSING, being duly sworn, doth depose and say that the following statement by him subscribed is a correct statement of the amount of public funds on hand at the commencement of the fiscal year above stated, the amount of public funds received, and the sources from which received, and the amount expended, and purposes for which expended, as set forth in said statement.

(signed) WM. A. ROSING,
Supervisor.

Subscribed and sworn to before me, this 14th day of May, 1934.
Hilma A. Rosing, Notary Public.

Amateur Decorator Finds New Colors Improve Old Bathroom

(by Will Ella de Camp)

The general trend toward freshening up homes as an active revolt against the shabbiness of depression is being clearly indicated throughout the country in the reports from shops and studios of household furnishers and decorators. In many instances entire houses are being redone, while in other cases the process is being carried out gradually, room by room.

One valiant young woman of our acquaintance is starting her Household Reconstruction Activities with the smallest room in the house, the bathroom.

"It's so easy," she writes, "to make the bathroom pleasantly decorative and comfortable as well as utilitarian. There's really no excuse for flat, uninteresting bathrooms now when such delightful decorative accessories and fascinating possibilities for colorful effects are so well within the reach of any one. And having successfully carried out the plans for a distinctive bath-dressing room is added incentive toward completing ideas for redecoration throughout the rest of the house."

"Perhaps you'd like to hear about our bathroom scheme? It's really quite effective, and, though we did have to spend a certain amount for necessary materials, the finished result has proved to be well worth the cost."

To begin with, we have the usual plain white tub, lavatory, and toilet. We brought these up to date by having the old faucets, etc., replaced by good looking modern fixtures in chromium finish. Previously the walls were all white, tiled half way up. We left the white tile as it was, but had the upper walls and ceiling painted a lovely shade of blue, matching the color in the blue and white tiled floor.

"Then we bought a blue oiled silk shower curtain. We finished this at the top with plaid oilcloth cut swag fashion and edged with white ball fringe. The same oilcloth makes a swag valance for window curtains of blue oiled silk. Our towels are white, with blue borders and monograms, and we have a washable white sheepskin rug on the floor. Now, isn't

this success an inspiration for further efforts?

"In two corners of the room we had triangular shelves built, the shelves being wide enough apart to hold tall bottles, jars, and boxes for bathroom perquisites. These, painted blue with chartreuse green trim, take up less than no room and are decoratively effective as well as useful."

"We found one of the wall spaces would accommodate a handy chest of drawers to hold our bath and bed linens. So we bought one, unfinished, and had it decorated this way: First we removed all handles. Then, with rubber cement, we glued blue, chartreuse and white plaid oilcloth on the front of each drawer and covered the top of the chest to match. We painted the exposed framework chartreuse green, replaced the handles, and hung a mirror in a narrow green frame above the chest."

"A pair of glass lamps with shades made of the plaid oilcloth and a makeup box are placed on top of this practical, waterproof and washable chest. Clothes hamper and waste basket have been covered to match. Beside the 'head' of the tub we placed a low metal end table with a chartreuse green and blue tiled top. This holds a convenient smoking set and a succession of current magazines!"

Black, white, and red are cleverly combined to make another striking bathroom. The tub, lavatory, and toilet are white, with black fixtures. Black and white rubber tile is used as a floor covering. White tile with a black border makes a wainscoting. A dramatic effect is achieved by upper wall and ceiling being finished with glossy black paint. A shower curtain shows bright red stars and border on a white ground.

Did You Ever Try These Recipes? Do, Please

Coconut Fudge

2 1/2 lbs. brown sugar
1/2 pint rich milk or cream
1 teaspoon vanilla
1 lb. shredded coconut.

Cook all but flavoring to firm ball. Take from fire and beat until thick and light colored, adding the flavoring. Turn into buttered pan and mark in squares.

Coconut Charlotte

Lady fingers or strips of stale sponge cake

1 cup cream
1/2 cup grape juice
2 tablespoons sugar
2/3 cup toasted shredded coconut.

Line a glass serving dish with the lady fingers or cake cut into strips and moisten it with grape juice, pour

At the window are curtains of white Argentine cloth, finished with a red and black edging. A white Venetian blind with red tapes assures privacy, at the same time admitting plenty of light and air. Directly below the window stands a combination seat and chest, upholstered in waterproofed red leather fabric, piped with white.

Chromium hanging shelves backed by mirror panels are placed at each side of the window. These hold white glass bottles and jars with black stoppers. Towels are all white, with black and red monograms, and

there is a black, red, and white woven rug.
ing this over with a spoon to avoid disturbing the cake. Whip the cream until light, add the sugar, stir in half the toasted coconut and pile high in the dish. Chill and sprinkle remaining coconut over the top.

To toast the coconut: Spread thinly on a heavy baking pan and place in a cool oven until delicately browned.

Chicken Salad de Luxe

1 cooked chicken, cut fine
2 cups chopped celery
1 small can mushrooms, quartered
1 cup salted almonds
3/4 teaspoon paprika
Mayonnaise
Lettuce.

Blend the chicken, celery, almonds, mushrooms and paprika and moisten with mayonnaise. Chill and serve on lettuce with additional dressing if desired.

Chutney

6 peaches
12 ripe tomatoes
24 apples
2 cups raisins
8 small onions
4 peppers (seeded)
4 cups brown sugar
2 cups vinegar
2 tablespoons salt
1/2 package spices, or equivalent in stick cinnamon.

Chop fine, let simmer one hour and can while hot.

Escalloped Cauliflower

1 medium cauliflower
1-teaspoon salt
1 1/4 cups thin white sauce
1/4 cup grated cheese.

Remove the leaves and cut the stalk from the cauliflower. Soak in 1 quart water, to which 1 tablespoon

vinegar and 1 teaspoon salt have been added, to removed dirt and insects. Cook whole, stem side up in boiling water to which salt has been added, 7 minutes or until tender. Put cauliflower in a buttered baking dish. Add white sauce. Cover top with grated cheese and brown in a moderate oven, 375 degrees. Serves six.

"Mickey's Way of Selling Milk"

MICKEY MOUSE'S latest venture, a campaign to reduce the milk surplus, is providing a lot of fun for millions of kiddies as can be seen from this page which is reproduced from the "Mickey Mouse" Magazine, distributed monthly by the milk companies of National Dairy Products Corporation. This publication is mighty important to hundreds of thousands of farmers for it is devoted to increasing the consumption of fluid or bottled milk, the greatest revenue. The magazine is built upon the fact that children will drink more milk if it is made a pleasure rather than a duty.

About the new Low rates for Electricity

EVERY family using electricity from the Public Service Company of Northern Illinois will benefit from the tenth residential rate reduction made by this company since 1911. The newest rates, which are effective June 1, 1934, also will allow customers to gain the many added benefits from the wider use of electricity at a much lower cost.

For electricity can now be had at 2¢ a kilowatt-hour after you have used 17 kilowatt-hours per room in any month. At this rate you can use a myriad of labor savers and com-

fort-makers in the home at a small cost for electricity, such as an electric percolator, an electric dishwasher, an electric waffle iron, an electric refrigerator and indirect lamp. These appliances make a home modern, and a happier place in which to live.

Visit your nearest Public Service Store and let us give you full information regarding rates and the latest electrical appliances now on display.

It costs so little to use modern electrical appliances on the new 2¢ rate*

Kitchen Mixer
1/5¢
an hour

Washing Machine
2/5¢

*Cost per kilowatt-hour for all electricity used in the month in excess of 17 kilowatt-hours per room.

PUBLIC SERVICE COMPANY
OF NORTHERN ILLINOIS

THIRD PARTY—

(continued from page 1)
cleared up Duncan believes La Follette will be with the movement.
A three-ticket campaign will present problems to baffle a world chess champion. It will force new alignments in every quarter. The new group will fight former allies in the Republican, Democratic and Socialist parties. If it does not fight it will have to find means to combine voting strength where combination will do the most good.

Something to Ponder

If the La Follettes join in they will no longer be a factor in Republican presidential primaries and the national convention will not again witness its most picturesque episode, the presentation and rejection of the Wisconsin platform. But that does not bother the enthusiasts. They expect the movement to spread and to produce a new national party that will adopt the platform.

Some oldtimers will ponder deeply the next few weeks. One of these is Secretary of State Theodore Dammann, whose rulings against the new ticket resulted in the test suit.

"The decision suits me," Dammann said. "That was not a matter of concern to me. I had to have the decision in order to know how to proceed were new party petitions presented here."

"Some want you to run for governor," Mr. Dammann was reminded. "I am a candidate for secretary of state," he replied.

"On what ticket?"
"I haven't thought of that yet," he replied.

Eric J. Onstad, Madison lawyer, long active in progressive politics, declares the supreme court decision fulfilled every one of his contentions. Onstad, who was a vigorous worker in non partisan league days, is said to contemplate a candidacy.

"There will be a new party," he declared. "And if some of the fellows don't join in, there will be a split."

Full Speed Ahead

He seems always in a hurry—what's the matter with him, anyway?"

"Trying to keep up with his running expenses, I think."

MILLBURN GIRL SECURES SCHOOL

Several Attend the Funeral Services for Wm. Summers

Miss Bernice Bauman has been engaged to teach the Howe School at 33rd street on Green Bay Road.

Mr. and Mrs. J. S. Denman and Mr. and Mrs. Robert Bonner attended funeral services for the latter's cousin, Mr. William Summers, which were held at the Congregational church in Rochester, Wis., Wednesday afternoon.

The Hickory Unit of Home Bureau will meet at the home of Mrs. Frank Kennedy Thursday afternoon, May 17, at 1:30 P. M. The major lesson will be "How to Buy Carpets and Rugs," and the minor lesson, "The Care of Ice Bags."

Miss May Dodge is helping in the home of Mrs. F. C. Wilbur in Grayslake.

Marian Edwards and Allan Bock of Oak Park spent Sunday at the Frank Edwards home.

Fred Fletcher of Evanston and Miss Mary Kerr of Lake Villa were callers at the home of Mrs. Alice Spring Thursday afternoon.

Miss Katharine Koertge was a dinner guest of Mrs. Eva Ailing Sunday.

Mr. and Mrs. Robert Erwin and Mr. and Mrs. Bozarth of Waukegan were callers at the George Edwards home Sunday afternoon.

Mrs. Lewis Bauman and daughter, Alice, with Mr. and Mrs. Charles Holdridge and daughter, Ruth, drove to Chicago on Sunday where they were called by the death of their uncle, August Ulrich.

Mr. and Mrs. C. E. Denman of Grunee were guests for dinner at the home of Mr. and Mrs. W. A. Bonner.

DROUTH CRISIS—

Continued From Page 1
becoming acute and many cattle turned out to short pasture. . . . general feeling among dairy farmers that milk should be \$2.00 per cwt. Even at that figure production would be limited. . . . wheat and garden crops are worse hit by drouth here, while chinch bug has infested oats.
From Director Charles Schmaling, Delavan, Wis., District 3: "Third year of continued drouth. . . seeds have sprouted, but with no rain or moisture in subsoil, crop outlook is disheartening. . . farmers forced to purchase feeds, but have no cash. . . increased milk check only salvation."

From Director E. E. Houghtby, Shabbona, Ill., District 8: "Most dairymen out of hay. . . grass isn't growing. . . some have turned cattle into fields originally intended for hay crop. . . milk production will be greatly reduced. . . better prices needed. . . 'old-timers' report never before experiencing such severe drouth in this territory."

From Director F. J. Green, Woodstock, Ill., District 6: "Drouth conditions in this District are the worst in history. . . absolutely no pasture and our barns are empty. . . for the past three days visibility has not exceeded one-half mile. . . small grain has turned yellow and a great deal of it has been clipped off by wind. . . farmers in my District must have immediate relief. . . feeds we buy have nearly doubled over the same period in 1933. . . many farmers are hauling water because wells going dry."

Mrs. Sine Laursen and daughter, Lillian, spent Mother's Day with Mr. and Mrs. Ray Borregard of Waukegan.

for she knows the value of a SAFE, GENTLE LAXATIVE

MANY a woman has found how much of her attractiveness depends upon a clean system—free from poisons.
And these women have found Rexall Orderlies the gentle laxative safe for women at all times. Rexall Orderlies never act harshly; never gripe or irritate. And their chocolatey flavor is just like candy.

Wisconsin Realty
Taxes are Lower
than Ill. Taxes

Comparison of Illinois and Wisconsin property tax rates for 1934 reveal a vast difference, highly favoring the Wisconsin tax payer, according to figures made public recently. Figures submitted by the manager of a large estate with land in both Illinois and Wisconsin disclose that the Illinois property tax levy is from three to four times as great as that of the state of Wisconsin.

Taxes on land in the town of Paris, Kenosha County, Wisconsin, with an assessed property value of \$4,000 were only \$35.95, while the levy on property assessed at \$1,800 in Lake county amounted to \$77.00. Land assessed at \$8,700 in Bristol township, Wisconsin, is taxed only \$93.00.

A more parallel and striking illustration of the difference is shown in the variation on two pieces of property, each of forty acres, both unimproved, one located in Illinois and one in Wisconsin. The Illinois tract was taxed \$67, the Wisconsin land being taxed only \$23.

A Good Time
To Take Care of:

Roofs
Screens
Floors
Painting
Repairs

In the Spring

EVERYONE'S FANCY...

... lightly turns to thoughts of better, larger, more comfortable homes and gardens. Their thoughts will be happy ones, too, for they realize that repairs and new additions can be taken care of at the lowest prices in years. Now, the entire home, including the porches, can be screened anew — a new roof laid — the floors refinished — the interior and exterior freshly painted. A complete repair program can be followed through with only a small sum of cash to start — and the balance divided into small monthly payments as low as \$10.00.
